Attorneys for the California
Public Utilities Commission

The California Public Utilities Commission and the People of the State of California (California or CPUC) submit this motion for acceptance of late-filed comments in the above-captioned docket. These comments were due July 11, 2016. Because of the staffing changes at the CPUC, this matter did not come to the Commission in time for it to approve the submission of comments, and for staff then to prepare the comments for timely submission. The undersigned counsel pledges that CPUC staff did not incorporate here reference to or responses to any other party's reply comments. We apologize for any inconvenience this may cause the FCC or other parties.

Respectfully submitted,

AROCLES AGUILAR
